

Sudha Automobile Engineering

Engineering Reliability for Heavy Earth Moving Machinery

Maximizing Equipment Availability Through Predictive Maintenance and Engineering Excellence

Est. 2021

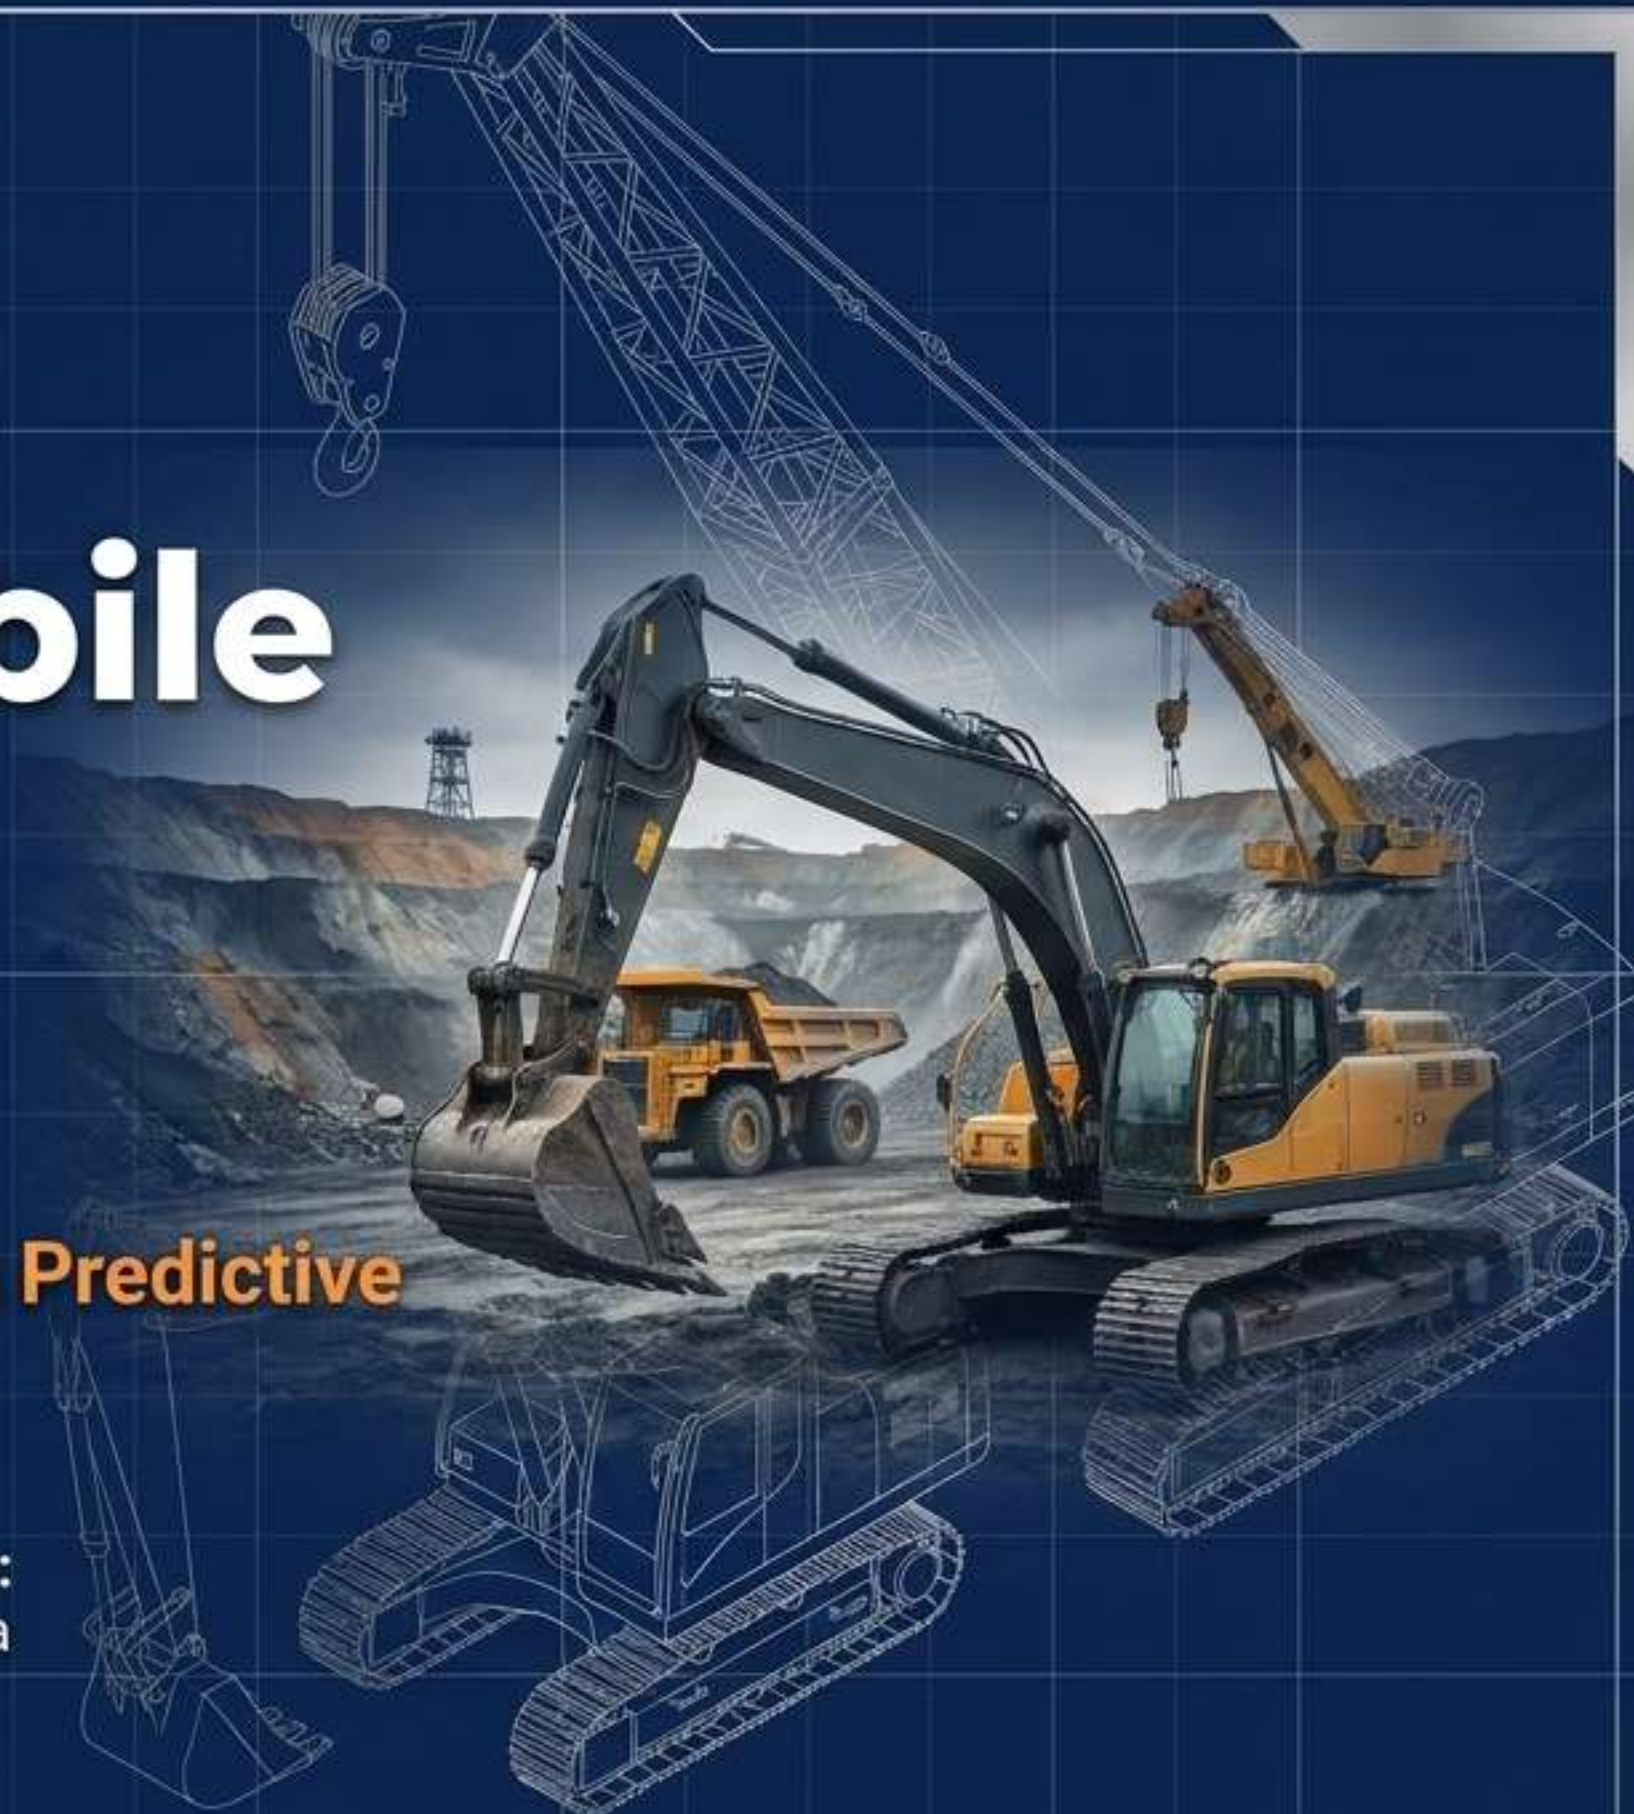

Employees:
50+

Service Locations:
Jharkhand, Odisha

Website: sudhaauto.com

Contact: +91 1234567890

Rooted in Enterprise-Grade Technical Mastery

Engineering Pedigree

Founded in 2021 by a former Tata Steel professional, bringing decades of deep technical knowledge in equipment systems, design, and predictive maintenance practices directly to client operations.

Operational Focus

Delivering inspection, maintenance, and repair solutions across diverse industrial applications.

Vendor Readiness

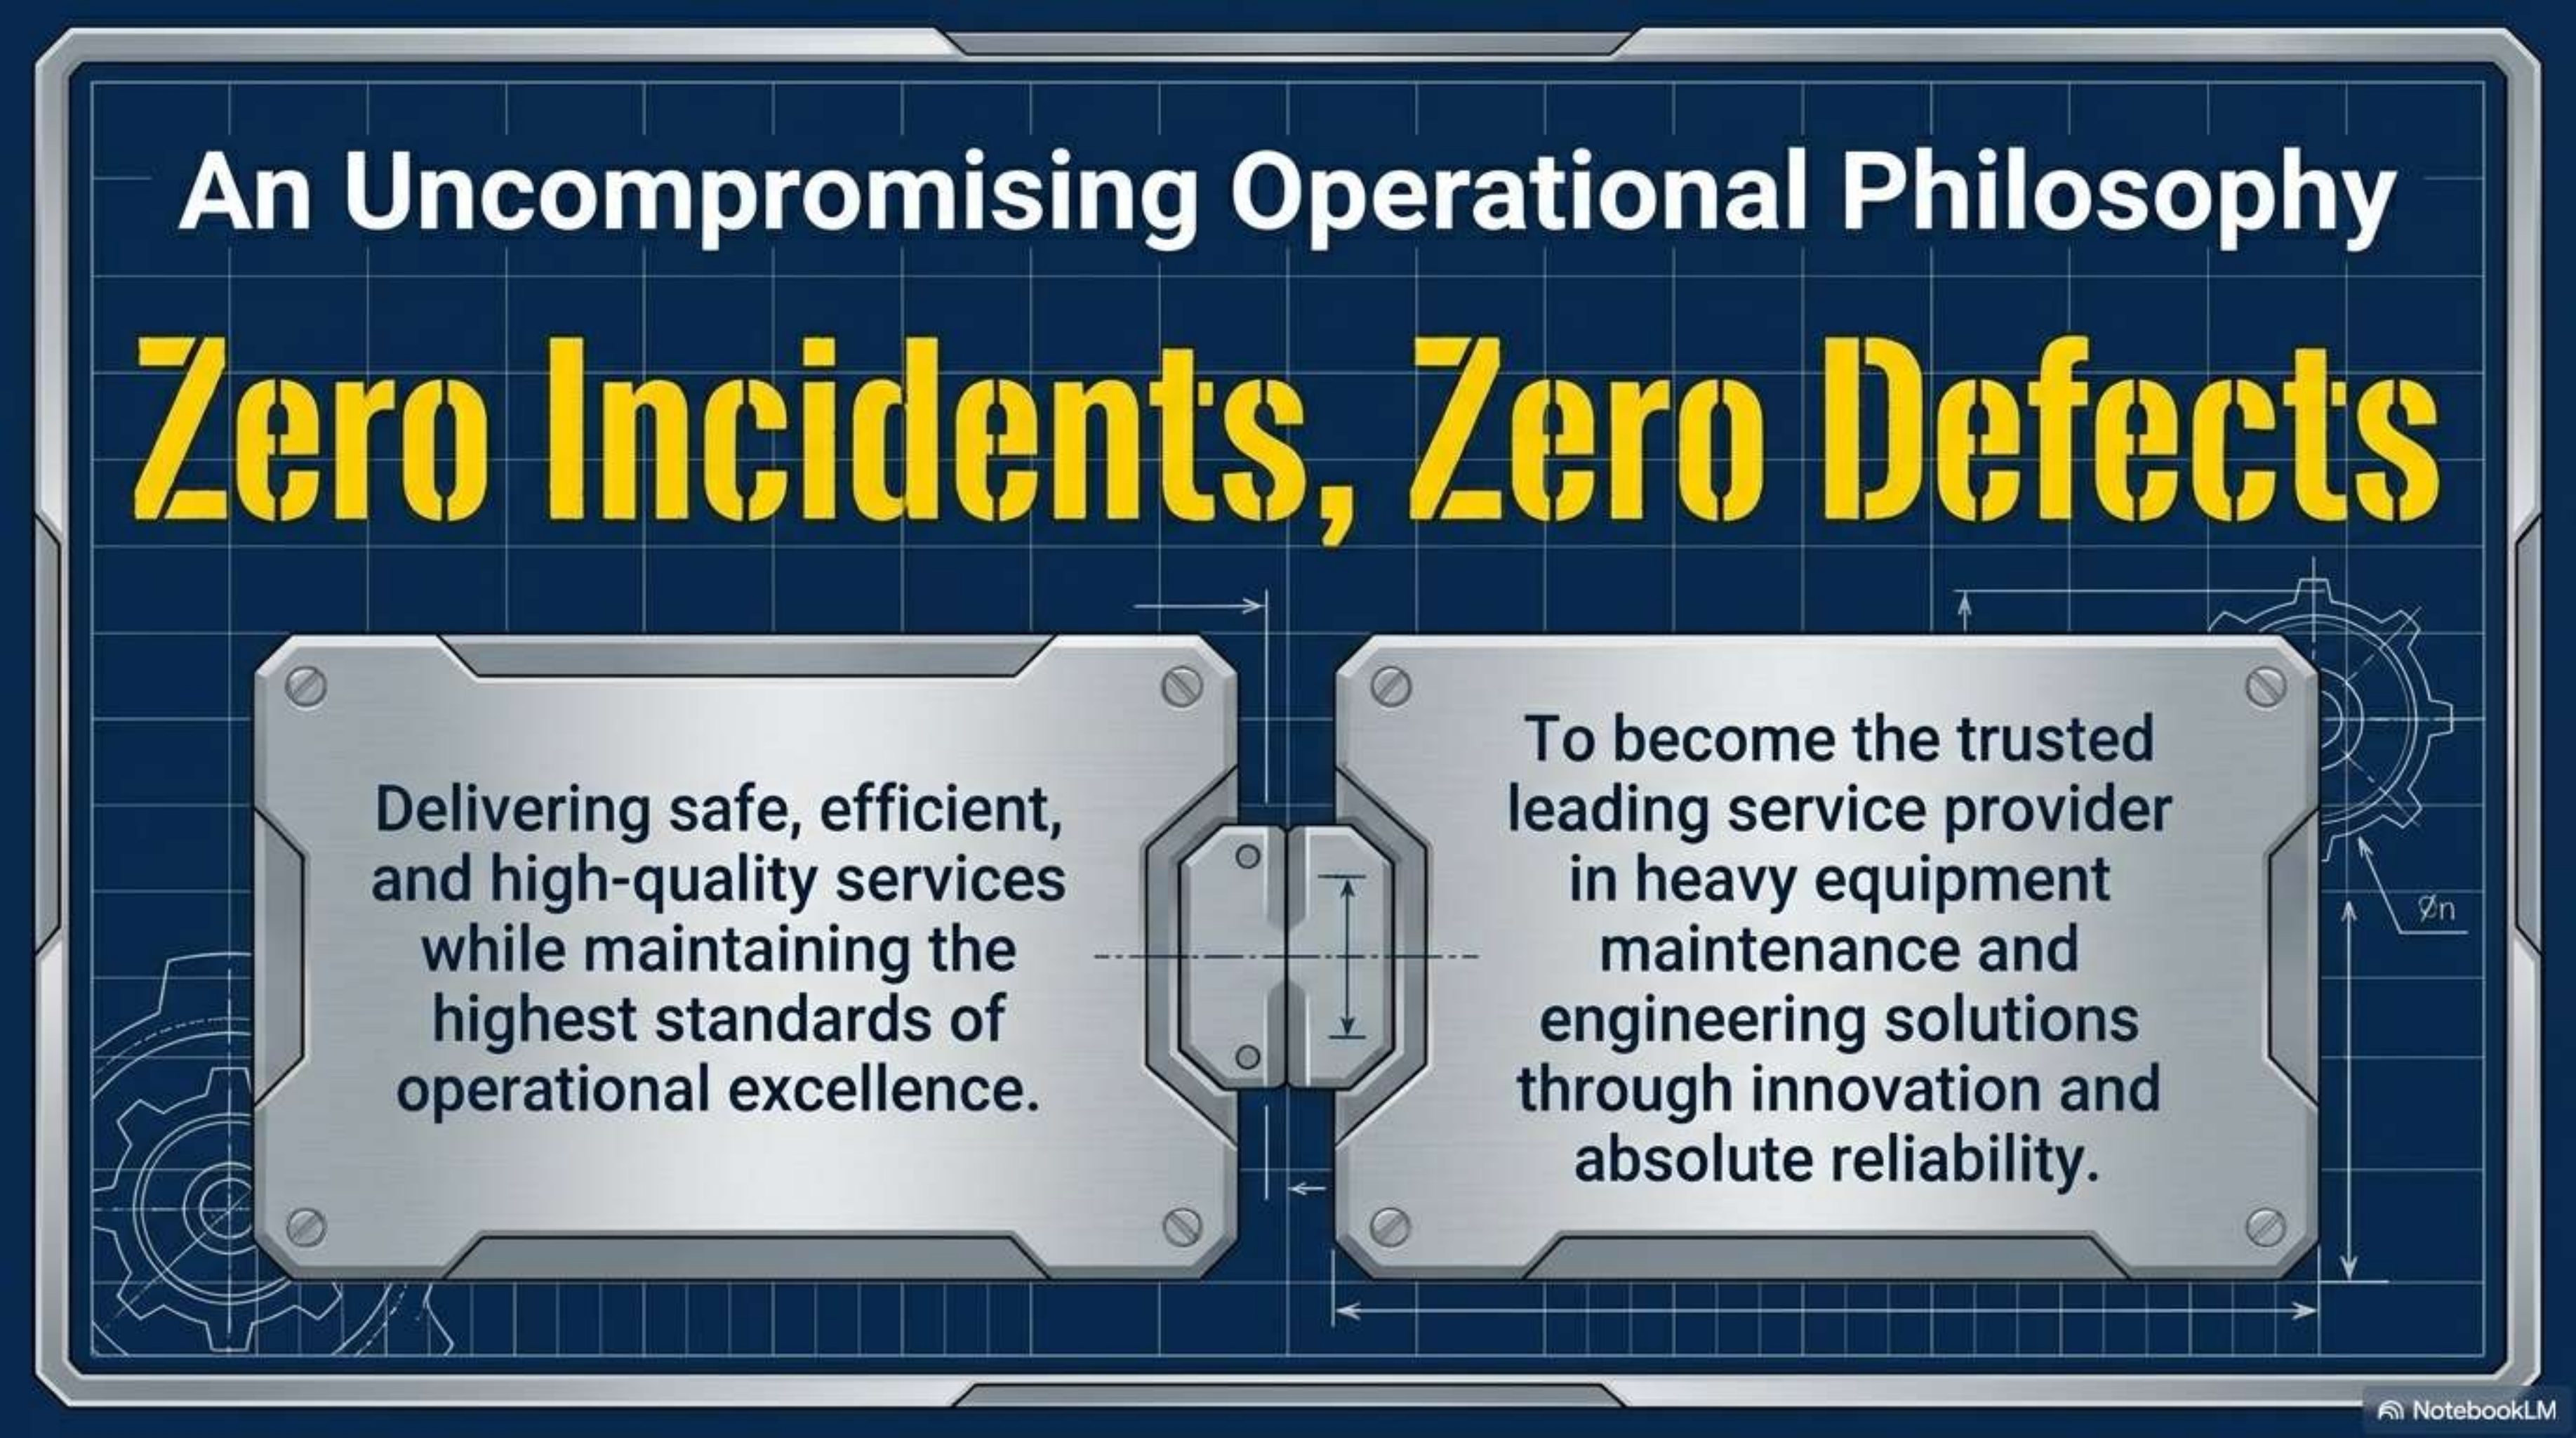

TSL Vendor Code: S0X0.

Tax Compliance

GST No. 20AEXFS1246M1ZM.

An Uncompromising Operational Philosophy

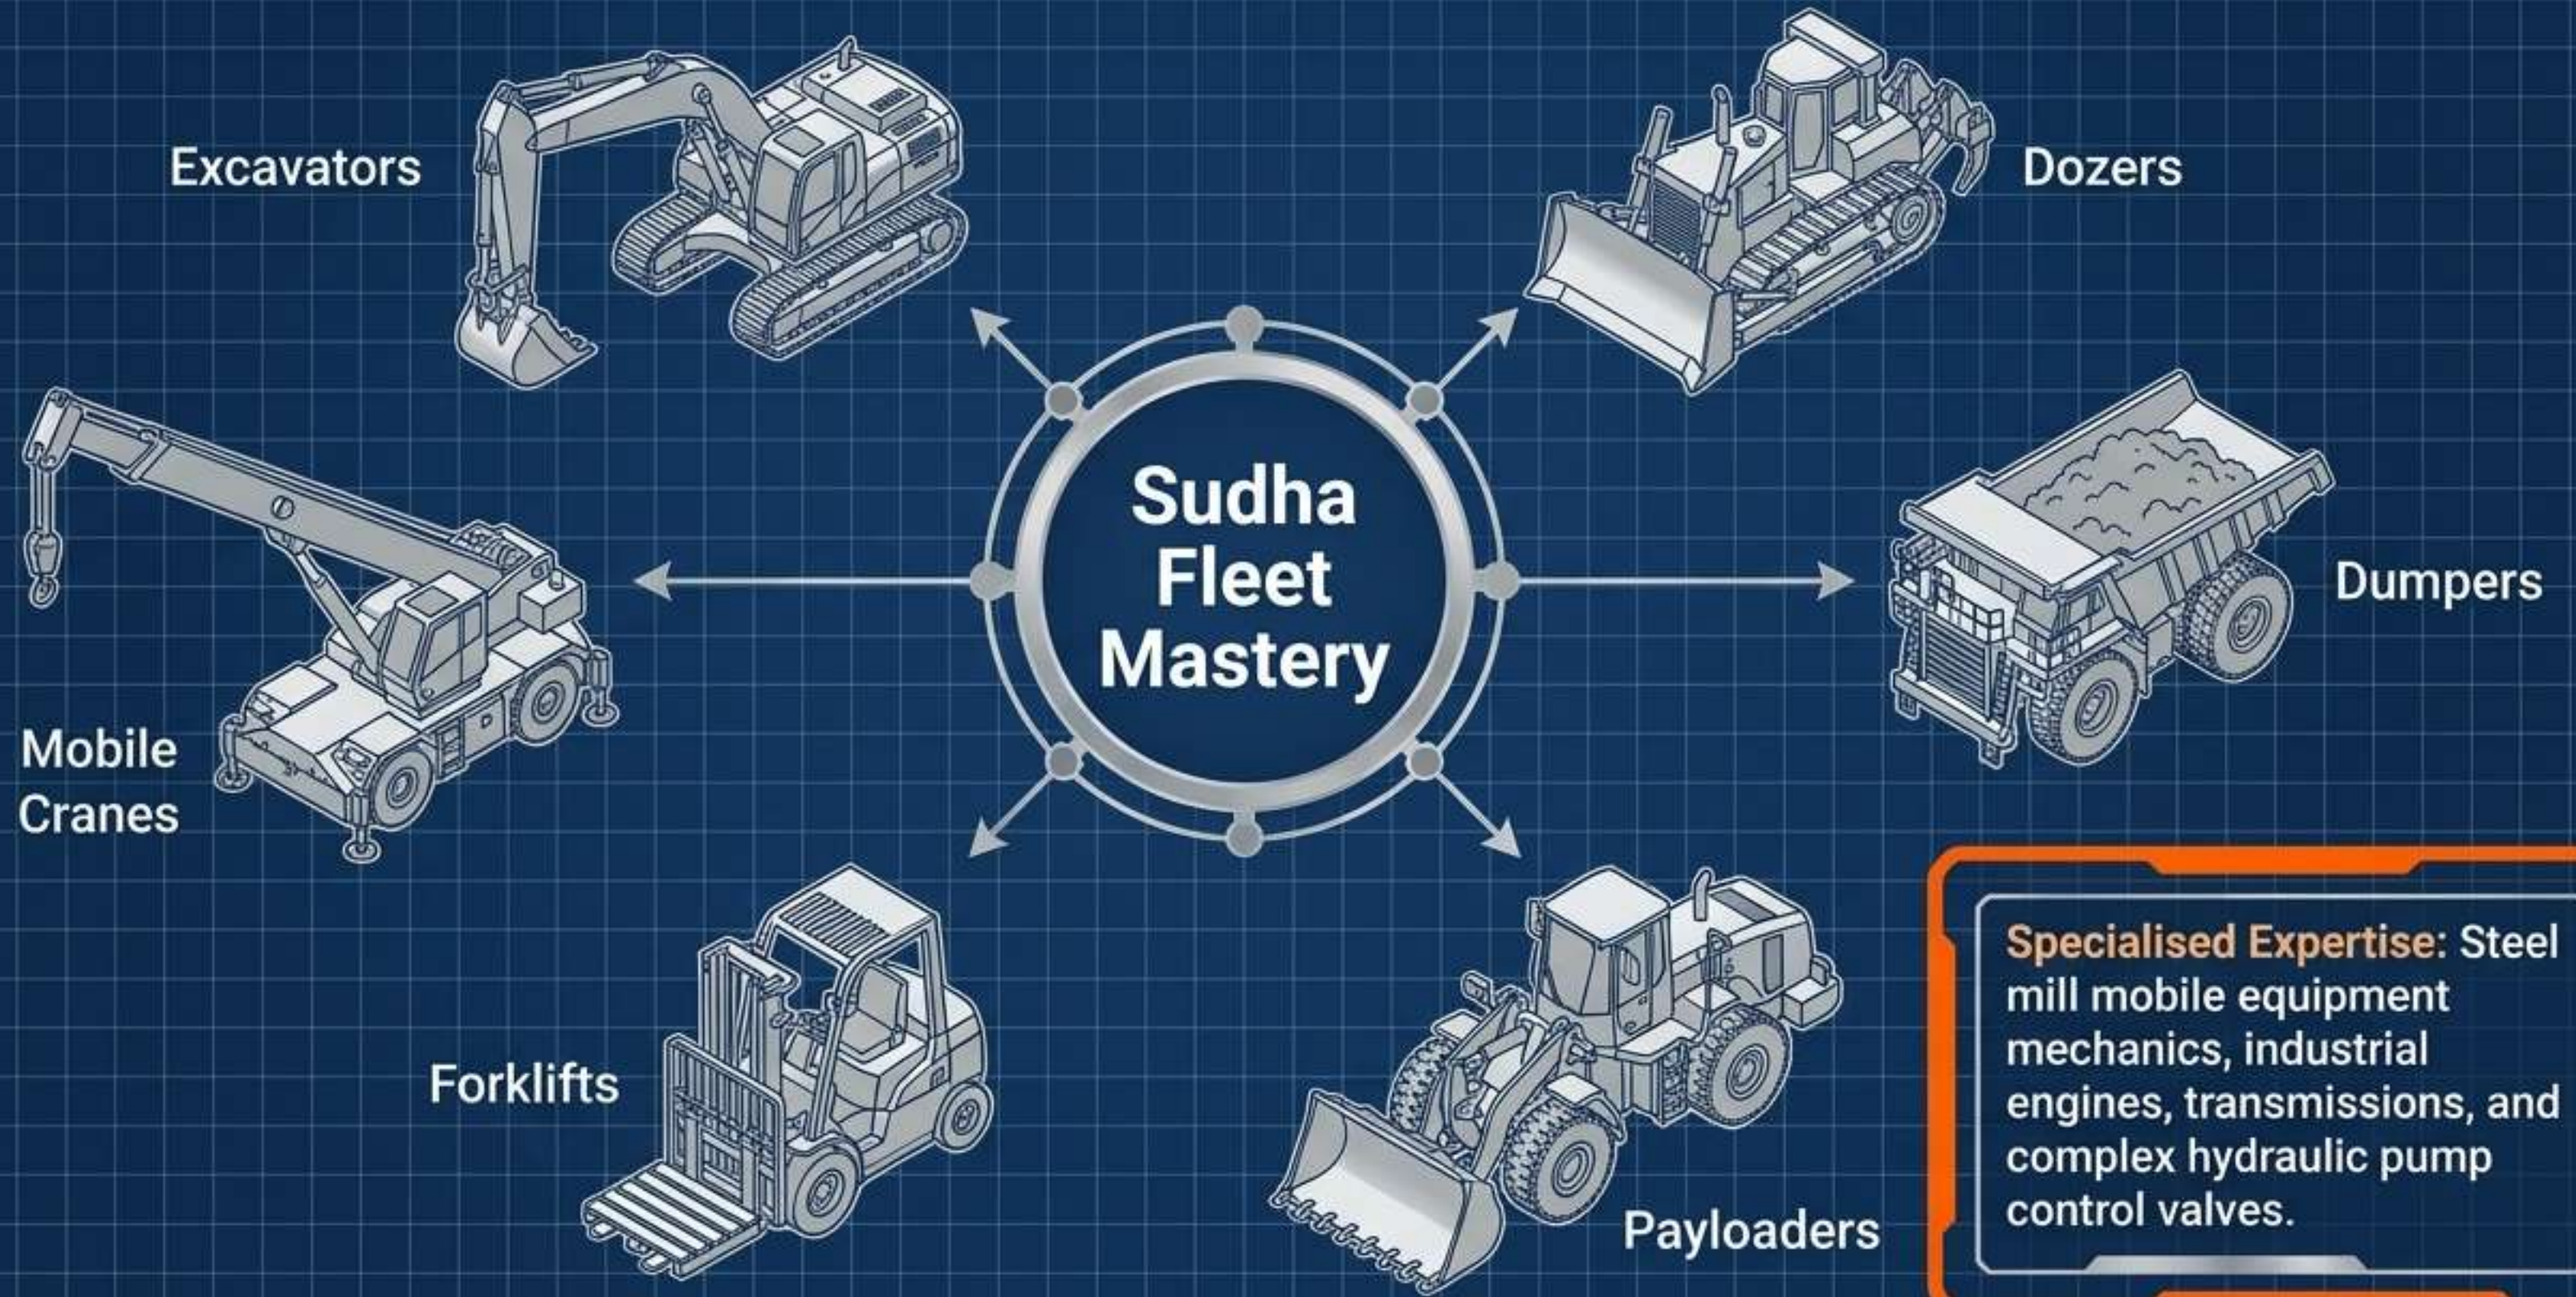

Zero Incidents, Zero Defects

Delivering safe, efficient,
and high-quality services
while maintaining the
highest standards of
operational excellence.

To become the trusted
leading service provider
in heavy equipment
maintenance and
engineering solutions
through innovation and
absolute reliability.

Complete Command Over Heavy Earth Moving Machinery

The Three Pillars of Continuous Equipment Uptime

Maintenance & Engineering

- ARC
- TBM/CBM
- Health Assessments
- Component Overhauls

Supply & Trading

- Engine Spares
- Gearboxes
- Welding Equipment
- Electrical Automation

Strategic Associations

- OEM Dealership Network
- Custom Solutions
- Major Aggregates

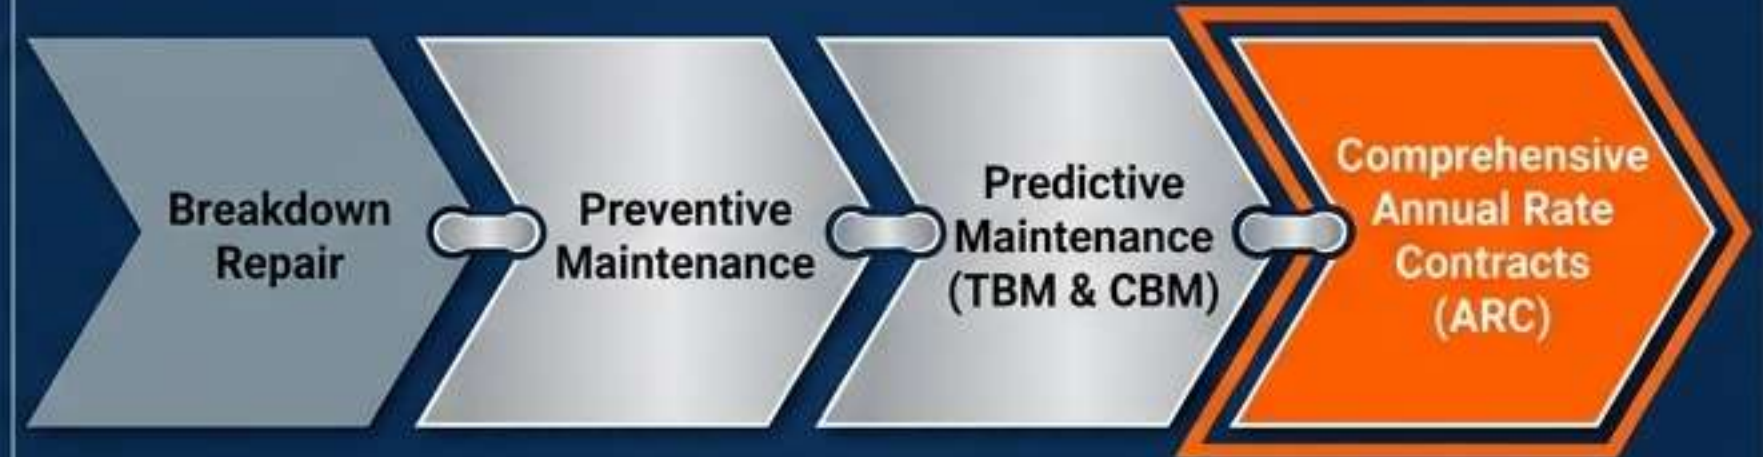

Precision Engineering Over Reactive Repair

Core Interventions

- Hydraulic and pneumatic system repair & health monitoring
- Engine maintenance, repair, and complete overhauling
- Hydraulic cylinder repair and customised development

Contractual Reliability

Securing the Supply Chain for Critical Components

High-Tech Inventory Control Panel

Heavy Drives

ZF on-road/off-road gearboxes, transmissions, and axles.

Power & Illumination

Supply of electrical lighting components and designing of complete electrical lighting automation.

Fabrication

High-grade welding electrodes, wires, and related equipment.

Core Spares

Comprehensive supply of mobile equipment and industrial engine spare parts.

JOHN DEERE

Inspection, repair, and diesel engine overhauling

PHILIPS

LED Drives & Components

Weldcraft Pvt. Ltd.

Customised industrial welding solutions

Fulham Co., Inc.

Innovative lighting components & control systems

ATPS

INDO GROUP

DGCUT

Supply of major OEM aggregates

Sudha Automobile

The HEMM Service Capability Matrix

	Excavators & Dozers	Dumpers & Payloaders	Mobile Cranes	Steel Mill Mobile Equipment
Annual Rate Contracts (ARC)	☒	☒	☒	☒
Engine Overhauling	☒	☒	☒	☒
Hydraulic Control Valve Service	☒	☒	☒	☒
Predictive Maintenance (CBM)	☒	☒	☒	☒
Custom Cylinder Development	☒	☒	☒	☒

The Safety and Quality Flywheel

The Integrated Advantage: Why Sudha Automobile

The Knowledge

Enterprise Heritage:
Experienced leadership
with a strong industry
background.

The Execution

Engineering Rigour:
Comprehensive predictive
capabilities and customised
solutions.

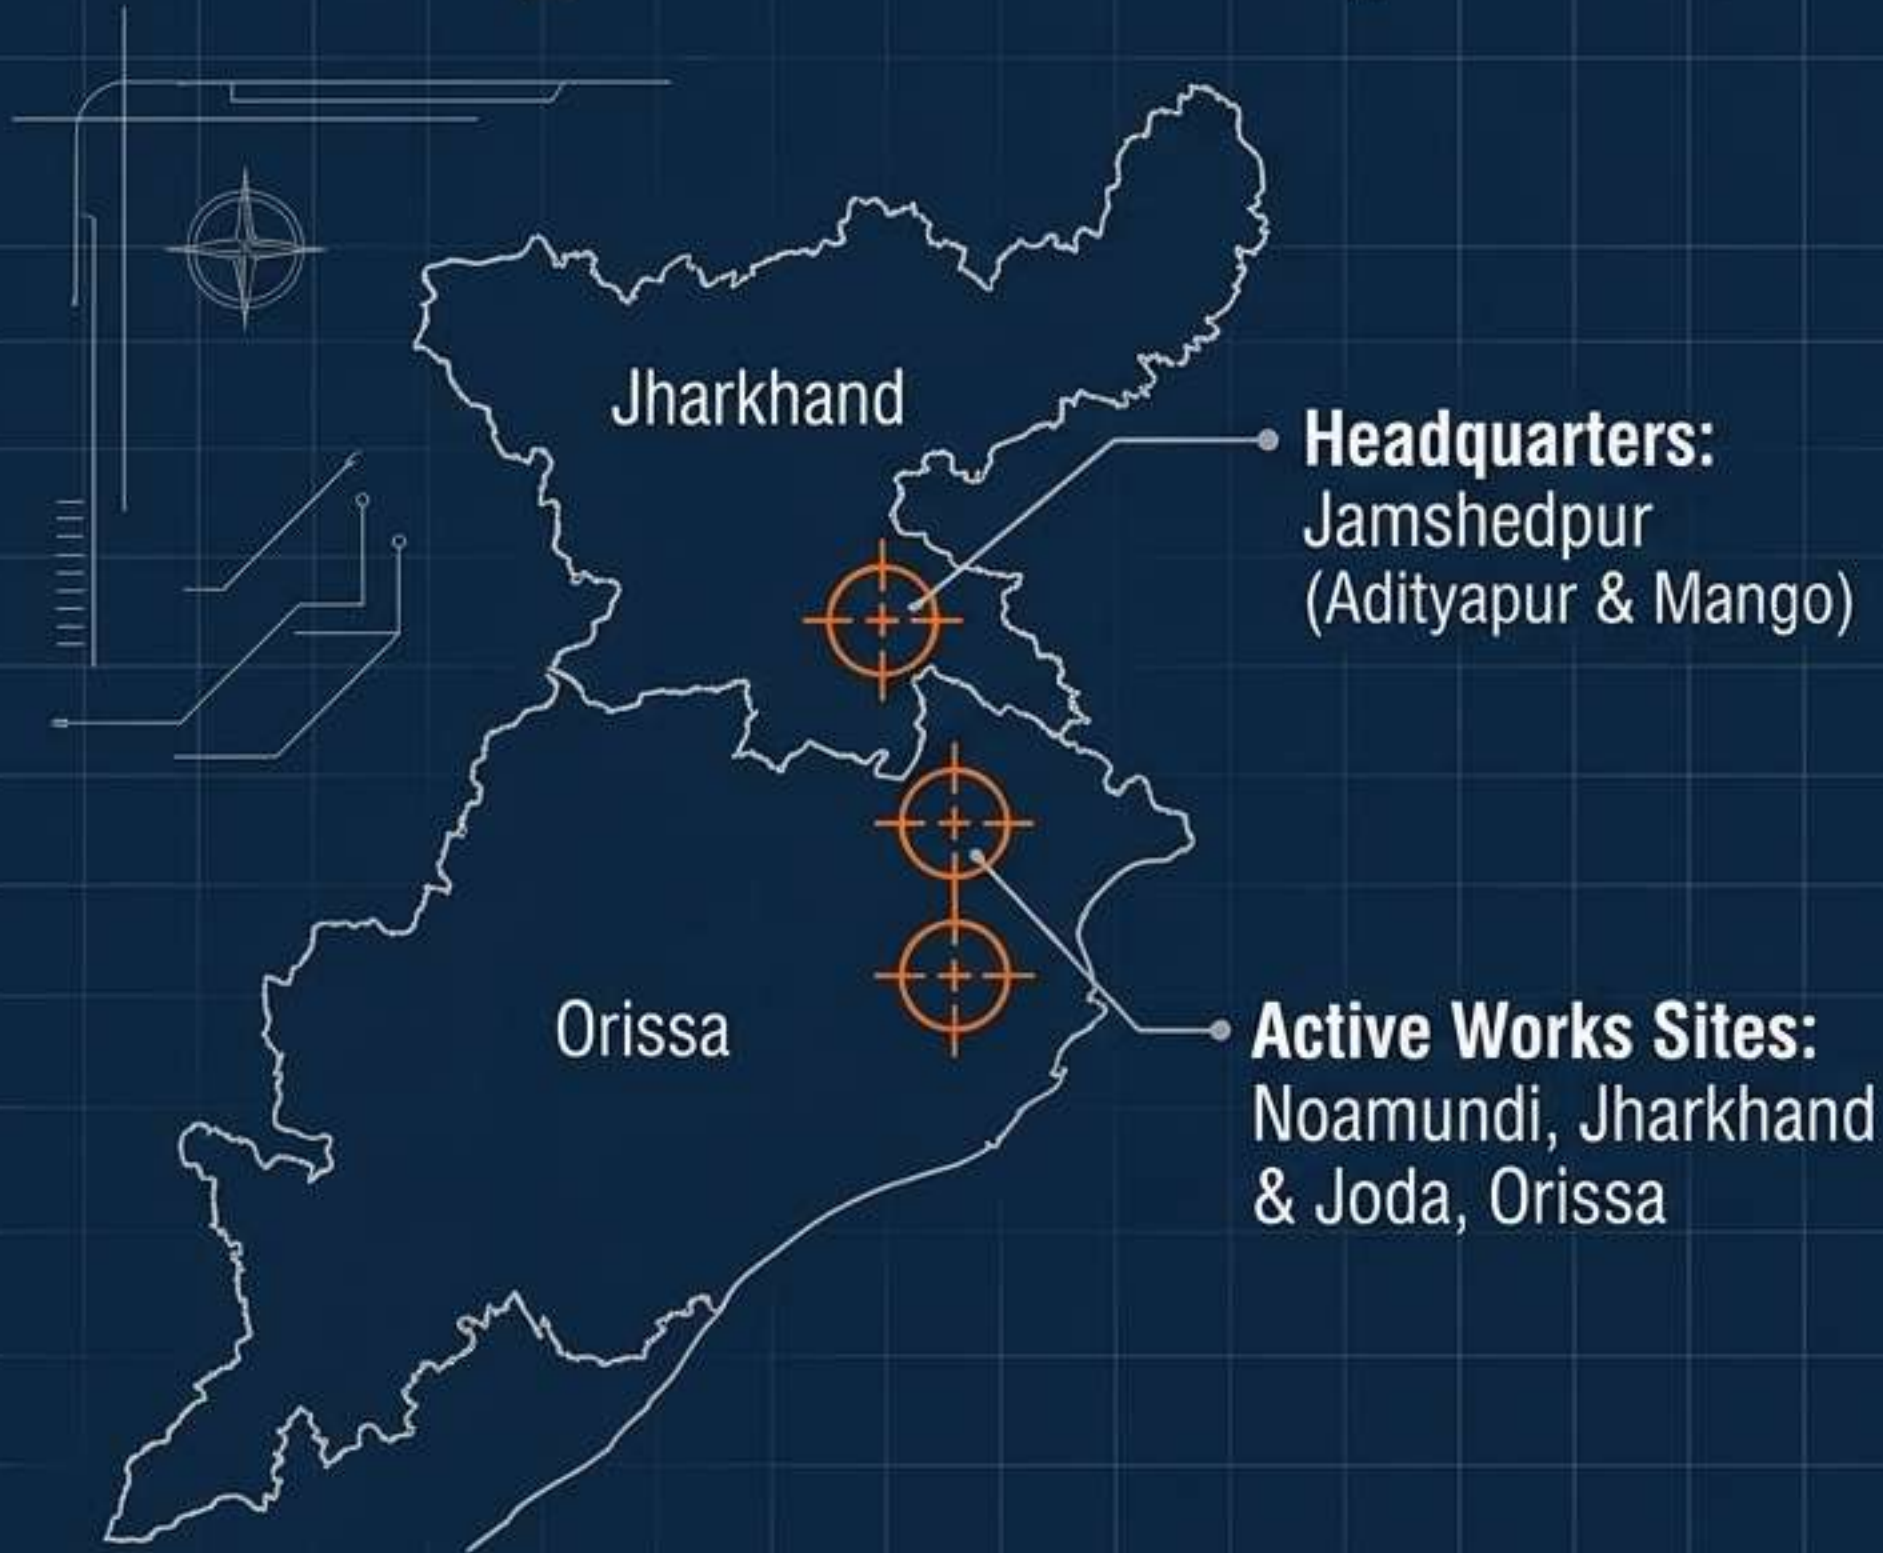

**Sustained Growth &
Long-Term Reliability
Partnerships.**

The Resources

Dealership Power: A strategically
established authorized network ensuring
genuine parts and expert guidance.

Regional Footprint, Global Standards

Registered Office: 137, Road no-10,
Aditya garden, Adityapur,
Jamshedpur-831013.

Corporate Office: Road No. 14, Near
IBP Petrol Pump, Jawaharnagar,
Azadnagar, Mango, Jamshedpur.
